

**WEEKLY UPDATE**

**The Hillcrest of North Dallas**

**2/8/2021**

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. We are happy to report that, as of today, we have no confirmed cases of COVID-19 in our facility. We did have 65 residents and 22 employees test positive since the onset of the virus. Due to the County positivity rate, we are testing employees twice a week

We are currently only allowed to have end of life and essential caregivers visit in the facility. We will have our third vaccine clinic on 2/19/2021.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 972-517-7771.

Sincerely,

*Jim Culp*
