

WEEKLY UPDATE

06/24/2020

Dear Residents and Families/Representatives,

We are happy to report that, as of today, INSERT FACILITY NAME has no confirmed cases of COVID-19. We continue to follow the recommendations of our health officials and practice the enhanced safety measures that are listed on our website and previous communications.

We know the past few months have been a big adjustment for everyone, especially our residents. While our staff is working is very hard to make sure they are safe, we also want to make sure they are having some fun! This past week we played Bingo (keeping our distances), did crafts, made gifts for the CNA's for CNA week, and we are working on an upcoming garden project for our patio area.

As always, please continue to check our website for updates. We will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly 972-517-7771

Sincerely,

Allison Worley, LNA
