

WEEKLY UPDATE

07/16/2020

Dear Residents and Families/Representatives,

Please accept this letter as an update on the status of COVID-19 in our facility and what we are doing to keep our residents and staff during this ongoing pandemic. Since the onset of this virus, we have had Zero residents and 2 staff members test positive for COVID-19. One staff member had 2 negative tests and has returned to work. Another staff member has had one negative test and is awaiting their second negative test.

As the number of coronavirus cases throughout the country are rapidly changing, we continue to practice the enhanced safety precautions that are known to prevent the spread of COVID-19, which we have posted on our website and other updates. Please also remember what you can do to help stop community spread of this virus, such as practicing hand hygiene and social distancing, practicing proper cough etiquette, using face masks, and cleaning and disinfecting frequently touched surfaces daily.

We are excited to announce the addition of our “chatter box” visitation booth! We will post pictures soon to our website. You can get more information and schedule your visit with the front desk. We know this isn’t the same but we hope this type of visit will help bridge the loss of in person visits.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 972-517-7771.

Sincerely,

Allison Worley
