

WEEKLY UPDATE

07/29/2020

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. Since the onset of this virus, we have had 0 residents and 2 staff members test positive for COVID-19. Both staff members have had 2 negative tests and has returned to work. We have not had a positive test result since 7/6/2020.

As always, we are working hard to keep everyone in our community safe and we will continue to practice the enhanced safety precautions that are known to prevent the spread of COVID-19, such as only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering. Our residents are continually monitored and staff is using PPE as recommended by the CDC. Staff is frequently reminded and encouraged to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community. We ask them not to report to work if they have symptoms of illness.

We will continue with our “chatter box” visitation booth! Pictures are posted to our Facebook currently. You can get more information and schedule your visit with the front desk. We know this isn’t the same but we hope this type of visit will help bridge the loss of in person visits. We have also made an ice cream truck and plan to have daily visits throughout the building. A video and pictures will be uploaded to our Facebook and website after the truck has its final maintenance inspection.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 972-517-7771

Sincerely,

Allison Worley
